

Nexora Technologies — Business Expense Approval SOP

Synthetic portfolio document for the ResolveAI enterprise knowledge assistant. Fictional content for learning and demonstration.

Submission

Employees must submit business expenses through the approved expense system with the required receipt and business purpose.

Manager approval

The employee's manager reviews the business purpose, policy compliance, and supporting documentation before approval.

Missing receipts

If a required receipt is unavailable, the employee should use the approved missing-receipt declaration process. Approval is not guaranteed.

Finance review

Finance may reject, return, or request clarification on an expense that does not meet policy requirements.
