

Nexora Technologies — Remote Work Policy

Synthetic portfolio document for the ResolveAI enterprise knowledge assistant. Fictional content for learning and demonstration.

Eligibility

Remote work is available to eligible roles when business requirements permit. Approval is subject to the employee's manager and applicable team requirements.

Weekly remote work

Eligible employees may work remotely for up to three working days per week unless their team has a stricter operational requirement or an approved exception.

Manager approval

Employees should request planned remote work through the team's approved process. Managers may require on-site work for customer meetings, workshops, training, or other business needs.

Security

Employees must use approved devices, secure networks, and required authentication controls when working remotely.
